

WEB DEVELOPER

Direct Full-Time Hire: Omnera – A Twin Cities based Web Design and Development Agency (a PC Solutions Company). See portfolio at www.omnera.com

This is not an entry-level position. Omnera is looking for a seasoned full-time Web Developer with .NET, ColdFusion, and MS SQL experience.

The Web Developer will work with a close team of web designers/developers on a diverse set of projects (some large/some small). In addition to a competitive salary and benefits package, the selected candidate will have performance reviews and the opportunity to advance into new technologies and client services.

Qualifications/Requirements:

- Positive, upbeat attitude
- Extensive .NET and MS SQL Experience
- ColdFusion MX Experience
- Proficient with Web Standards
- Cascading Style Sheets (CSS)
- knowledge of JavaScript
- Ability to address cross-platform and browser issues
- Flash ActionScript, PHP, and/or IIS administration is a strong plus.
- Requires 3-5 years of experience in developing and maintaining web sites and/or web-based applications
- High level of initiative, attention to detail, and accuracy
- Willingness to learn and adapt in a dynamic e-business environment

Contact Information:

If you are qualified and interested in pursuing this employment opportunity with Omnera/PC Solutions, email cover letter and resume to info@omnera.com. All submissions will be reviewed by the hiring manager who will schedule phone interviews to discuss employment opportunities with any qualified candidates.
